## Long Eaton Chamber of Trade June 2014 Newsletter

### Members profile

CJ Consilium was founded in October 2007 by Ian Colley and Leanne Screen as Construction Consultants specialising in Construction Design Management 2007 (CDM 2007), Quantity Surveying (QS) and Construction Project Management. Originally they were based in offices within the Cavagna Group building in Breaston but due to expansion relocated 3 years later and are currently based in the Mohan Business Centre in Long Eaton.

*(Below – Hire Station, Long Eaton)*

CJ Consilium have found that by being based in Long Eaton opportunities have arisen enabling them to work closely with local developers such as Stanton Estates and Westerman, local Contractor Ralph Marks as part of the THI Scheme, Scattergood Brothers on the extension of Long Eaton Rugby Club at West Park and specialist Fit-out and Interiors Contractor Butler and Willow of Queen Street, Long Eaton on both the refurbishment of Hire Station's Head Offices on Fields Farm Road and a major office refurbishment for Pirelli at Burton on Trent.

Long Eaton's location adjacent to the motorway network makes working nationally much easier than being City Centre based. This has helped when working with Clients such as Ambrosia, Hovis, Pukka Pies, Mr Kipling, Citrix Computers, Medicx (medical centre and care homes), East Midlands Housing Association, CLIC Sargent and many more, working with major national contractors currently on scheme upto £100m.

CJ Consilium have a breadth of experience and highly skilled qualified personnel who can undertake Cost Management, Project Management and CDM Co-ordination roles on most Commercial Construction projects so whether you or your contacts are seeking competent Construction Consultants for an office/retail refurbishment or build, factory extension, new build development or even a multi million pound data centre they are the team to call....0115 946 2031

### **Long Eaton Carnival**

The Chamber are providing an orienteering challenge at this year's Long Eaton Carnival on Saturday 21<sup>st</sup> June from 12.00 noon to 4.00pm. You can either have a go at the compass challenge which involves very little running or walking, or you can try the 1 kilometre course round part of West Park. Alternatively youngsters can try the 500 metre string course instead.

Entry for the compass challenge and the 1 kilometre course is 50p and the string course is free. Certificates will be awarded to the first 30 to finish the 1 kilometre course and for the fastest completed times on the other course.

The stall is being operated in conjunction with the local orienteering club.

### **Membership News.**

The Chamber are delighted to welcome Long Eaton and Nottingham chartered accountants Clayton & Brewill as a member to help the firm better support its growing network of clients in the Long Eaton area.

Leading the membership for Clayton & Brewill is chartered accountant Ashley Akeroyd, who works with many of Clayton & Brewill's manufacturing, engineering and medical practice clients in the area.

Commenting on the move, Ashley said “We have long had an office in Long Eaton which is at Wilne House, 10 Salisbury Street, and as our client base grows we felt we wanted to become part of the fabric of Long Eaton and its business community. The Long Eaton Chamber plays a fantastic role in bringing businesses together and developing the economic climate of the town and we are pleased that we can support its good work”

The Chamber does also have several members of the professions and business profiles will be seen on their support and activities over the coming months.

For more details on the Chambers activities and membership do have a look at [www.longeatonchamber.org.uk](http://www.longeatonchamber.org.uk)
