Long Eaton Chamber of Trade – March 2015 Newsletter

Member's profile: Stanton Vale School – “Creating brighter futures”

Welcome to Stanton Vale School, Thoresby Road, NG10 3NP

“On my recent visit to one of our newest members, the Stanton Vale School in Long Eaton, I was welcomed by the Head Chris White and given a tour of the School by Andy. We visited the sensory gardens, the raised garden beds and other outside areas. Inside the colourful and spacious areas were most welcoming as was the indoor heated pool”

The following information was given to the Chamber by the Head.

“Stanton Vale is an all age special school located in Long Eaton, working with students primarily from the south east of Derbyshire but also from Derby City, Nottinghamshire and Leicestershire. Children as young as two can join our specialist nursery and as they grow and develop they move through the school staying with us until they are nineteen. The children and young people who come to us have a range of needs and abilities but are primarily categorised as Severe Learning Difficulties (SLD) or Complex Learning Difficulties (CLD / PMLD). However, we try not to talk about disability, as we focus on ability”

The Indoor Swimming pool is enjoyed by all.

“Our most complex children benefit from specialist sensory areas in each classroom and learn through a very experiential curriculum. Our more able students spend time working on the key skills of functional literacy and maths as well as work that builds on their independence and self-help skills. For all our students, irrespective of needs, communication and motor / mobility skills taught through MOVE form a foundation stone that we build their learning around. Having a nurse on site as well as close links to Physiotherapy and Occupational Therapy mean we are able to offer a rounded package that puts the child at the centre of learning”

Members’ news:

Erewash Voluntary Action CVS have just created a new full time job to seek to improve the position of people with mental health issues. Also they will be holding a “Thank You” event for their volunteers on Thursday 28th May at the Risley Park Pub.

Cafe No 5 has just celebrated their first birthday at 5 Tamworth Road.

Brunels Models, following their illustrations at the Great Railway Ruddington, have been invited to display again in August.

Golden Hello:

Three new businesses have opened in Long Eaton and Ilkeston after being given a helping hand through a scheme to bring empty shops back into use. The £1,000 Golden Hello grant helps businesses move into empty retail premises in the centre of Long Eaton, Ilkeston and Sandiacre.
